

Erratum

Correction for “Mineral Medicine: Chinese Medical Stone” by Haoxuan Yu, Yan Deng and Zhiping Yu, which was first published March 23, 2021; 10.17265/2328-2150/2021.04.006 (*Journal of Pharmacy and Pharmacology* 9 (2021) 174-177).

The authors report that there are some problems with the experimental design of the paper in the manuscript provided for production. The corrected information is as follows:

Author’s Statement

In our subsequent review of this article, we found some problems in the experimental design, and some inaccurate experimental data due to non-standard operation. Therefore, we are sorry for any inconvenience caused.

We will retract this paper.

Sorry again.
