Preparation of the PhD in Physics

Formation

2013/2015: Preparing a doctoral thesis on the theme:

« Nonlinear control of a synchronous machine double-fed applied wind power »

at the University Hassan II Casablanca faculty of Sciences Ben M'sik

- **2011/2013 : Master** on Data processing at the University Hassan II Casablanca faculty of Sciences Ben M'sik
- **2010/2011 : Fundamental Studies of licenses** Science Matter Physics Option electronic at the University Hassan II Casablanca faculty of Sciences Ben M'sik
- **2007/2008 : Bachelor** of Science Physics Chemistry Series on Secondary School MOKHTAR ASSOUSI - Casablanca

Professional Experiences

- Du **01/06/2013** to day : **Charge of Technical Maintenance** (electronique, électrique, etc.) within the company «**BOBINAGE BOUSSAIRI**» Casablanca.
- Du **01/04/2013** au **31/05/2013** : **Studies Final Project**; The design of a system embedded multiprocessors based NIOS II
- Du **01/01/2012** Au **01/01/2014** : **Treasurer and Head of Purchasing in a union council.**
- Du **07/06/2011** au **31/10/2011** : Training course within the Company «**BOBINAGE BOUSSAIRI**» Casablanca.
- Du **01/08/2010** au **30/09/2010** : Training course within the Company «**CROWN Packaging Maroc**» Casablanca.

knowledge Requirements & areas of expertise:

Digital Electronics:

- Design of digital electronic system.

Electrical :

Studies Electrical Machines

API

- (API) Programming and implementation of SIEMENS PLC S7-300 / 1200 (TIA supervision: WinCC. Participation in the development work is a didactic platform API and industrial regulation.

Computers and Programming:

- Operating Systems: Linux, Windows.
- Software : ISIS, MIKROC, MATLAB, QURTUS, NIOS IDE.
- Programming Languages: C, C++, VHDL.
- Office : Word, Excel, Power point et Access.

Artificial Intelligence:

- Intelligent Fuzzy Systems, Artificial Neural Networks.

Knowledge in Economics and Management:

- purchases, sales, bank reconciliation, invoicing, payroll, trading ...
- Identify and monitor the budget

Organize and coordinate the administrative, financial and technical

language :

- Arabe, Français, Anglais

qualifications:

- Ability to make decisions, initiative, customer focus, team leadership, communication ...

Focus:

- Walking, Football, teaching, reading and internet
